Reception

As you enter ANNEX, ultra-modern facilities blend nature and new-age design, setting the tone for a productive environment away from the formality and intensity of Spinningfields.

Agile workspace

Our open plan, dynamic workspaces are designed for new hybrid-working routines. Spaces for private virtual meetings are combined with break-out spaces to support agile working.

Office lounge

Find open spaces and refreshments in our office lounges, where teams can work flexibly with their coworkers.

Client lounge

Host clients or drop-in to the office to work informally from your own furnished lounges equipped with tech-enabled facilities.

MANCHESTER'S FINEST BARS, RESTAURANTS & SIGHTS ON YOUR DOORSTEP

Flanked by the Museum of Science and Industry and the John Rylands Library, Spinningfields is awash with culture. And between this space lies the The Factory, Soho House and The Ivy, giving occupiers a venue for every occasion.

ANNEX customers will rub shoulders with some of the country's largest corporates: RBS, Booking.com and WPP. Naturally, with names like these nearby, you're also close to Hawksmoor, Australasia and 20 Stories, amongst the city's strongest neighbourhood of food & beverage.

As for the occupiers local to ANNEX, customers are a stone's throw from the likes of Bauhaus, ABC, Manchester Goods Yard, Bonded Warehouse and XYZ.

CONNECTED

TO EVERYTHING

MANCHESTER

HAS TO OFFER

Road

Manchester boasts excellent motorway connections with over 25% of the UK's motorway network running through the broader city limits.

Air

Situated just 5 miles south of the city centre, Manchester Airport is the largest outside of London, and regularly provides flights to over 225 destinations.

Rail

With 4 mainline stations to choose from, there are 72 daily trains from Manchester to London, with the HS2 line set to produce more.

Bus

Occupants can easily navigate the city thanks to an extensive bus network with the primary interchange situated in Piccadilly Gardens.

Tram

The city is served by a metrolink with regular trams running around the boroughs that are perfect for commuters.

WORK/LIFE BALANCE WITHIN A DESIGN-LED COMMUNITY

Experience an activated
and inclusive workplace
that exceeds expectations
in every category.

ANNEX benefits from a full, modern Grade A refurbishment, creating open-plan spaces that set the standard for the workplace experience. From the exposed brick in our offices to the concierge who welcomes you through the door.

A man in a dark suit is seen from the side, sitting at a desk and working on a laptop. The laptop screen displays a website with various images and text. The background is slightly blurred, showing an office environment.

SMARTER ENERGY EFFICIENT INFRASTRUCTURE SOLUTIONS

ANNEX offers customers pre-installed access to full fibre, without the delays caused by conventional wayleave agreements.

Annex is partnered with a market leading connectivity solutions provider presenting best in class full fibre connectivity, telephony and IT services.

ESG, CARBON & BIODIVERSITY **INITIATIVES**

ANNEX has taken a responsible approach to refurbishment, recycling all possible materials, removing unnecessary carbon-producing mechanical and electrical services, and reintegrating efficient heating and cooling.

PUTTING **HEALTH & WELLBEING** AT THE FOREFRONT OF OCCUPATION

We excel in creating unique solutions to inner-city fitness that promote healthy living and positive lifestyle choices.

ANNEX customers benefit from an onsite gym with discounted rates. Your talent is supported in its health and wellbeing across group classes and personal training packages.

In partnership with Phil Greening, former England and British Lions rugby union player, ANNEX presents AF Urban. Borne from a recycled shipping container, this elite sport-based personal training concept provides cutting-edge techniques, equipment and nutrition, previously seen only by professional athletes.

This is a significant value-add for anyone working in the city centre who is serious about their fitness and mental health.
